

System for Distributing Information and Energy  
Using Fiber Optic and Optical Wireless Networks  
Krill et al.  
1919-SPL

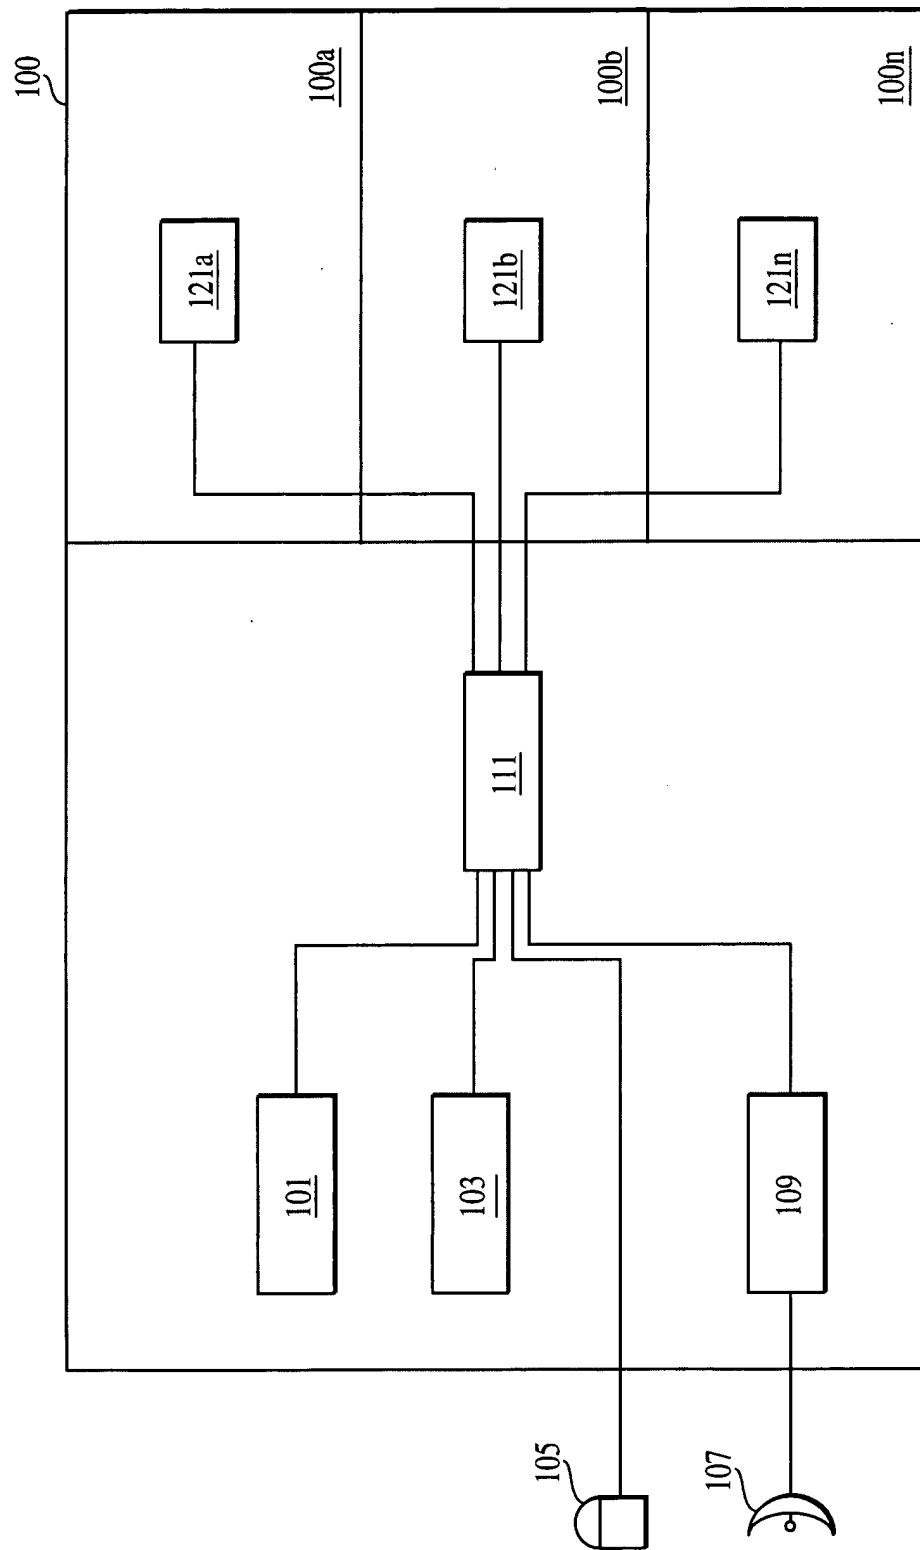

FIG. 1

System for Distributing Information and Energy  
Using Fiber Optic and Optical Wireless Networks  
Krill et al.  
1919-SPL

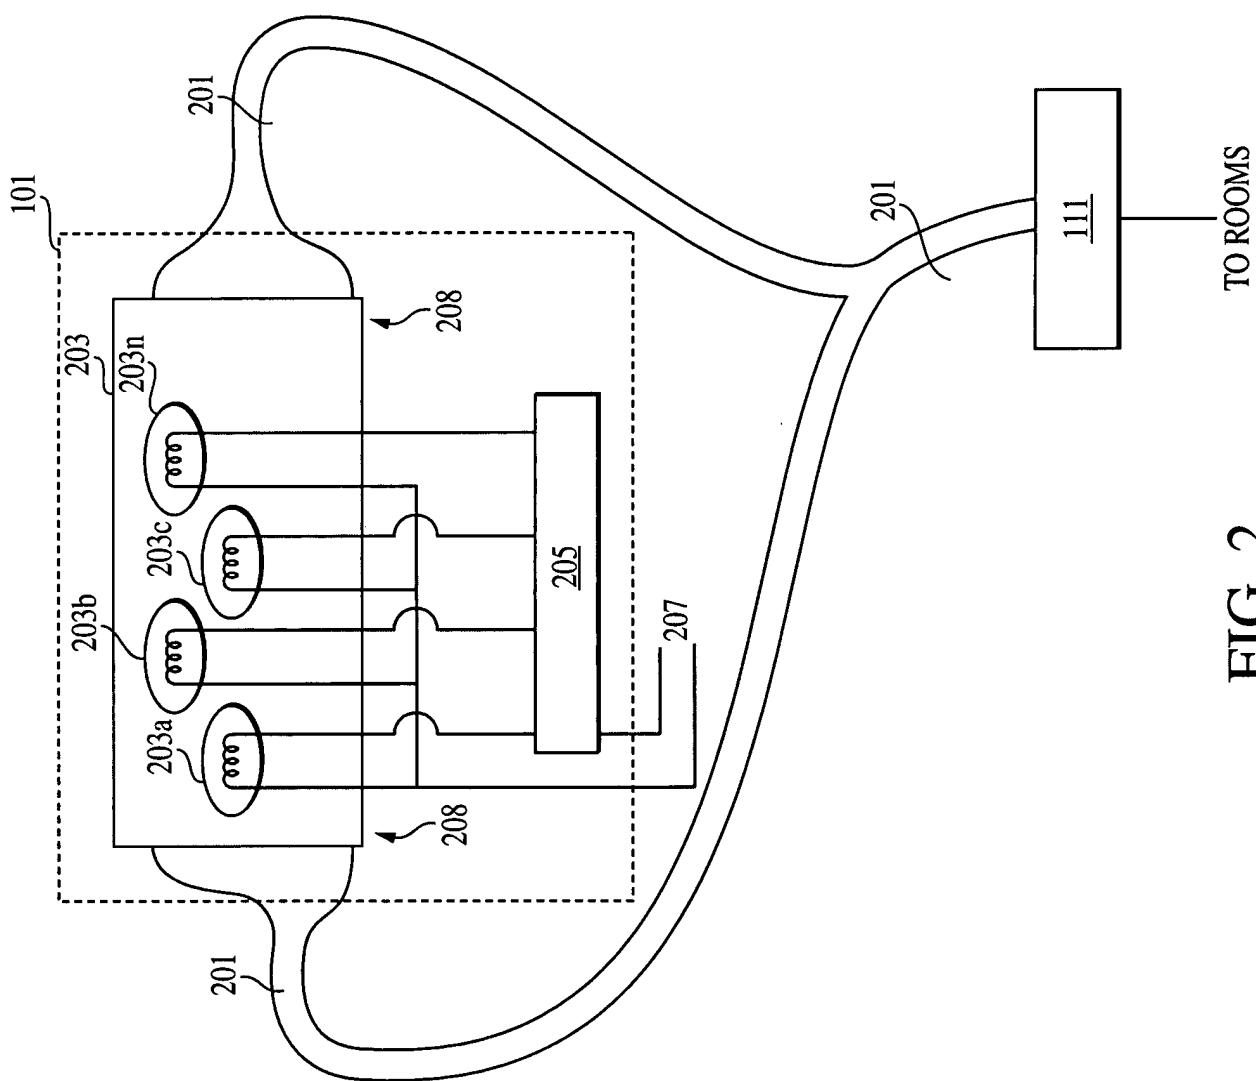

FIG. 2

System for Distributing Information and Energy  
Using Fiber Optic and Optical Wireless Networks  
Krill et al.  
1919-SPL

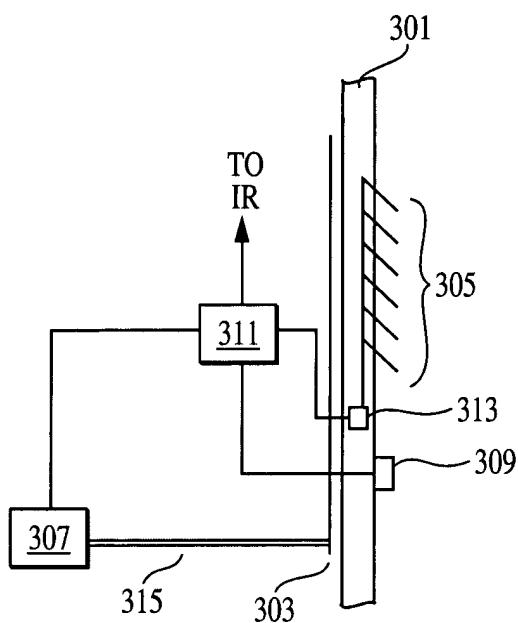

FIG. 3a

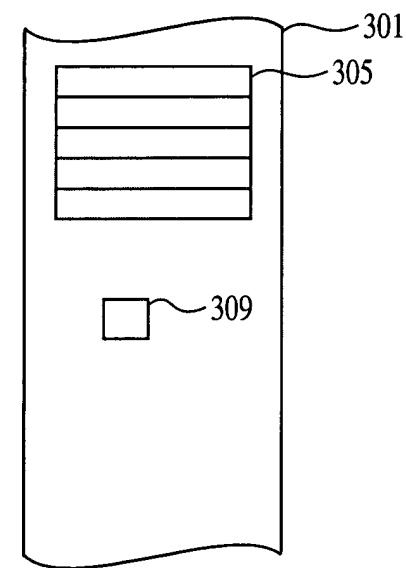

FIG. 3b

System for Distributing Information and Energy  
Using Fiber Optic and Optical Wireless Networks  
Krill et al.  
1919-SPL

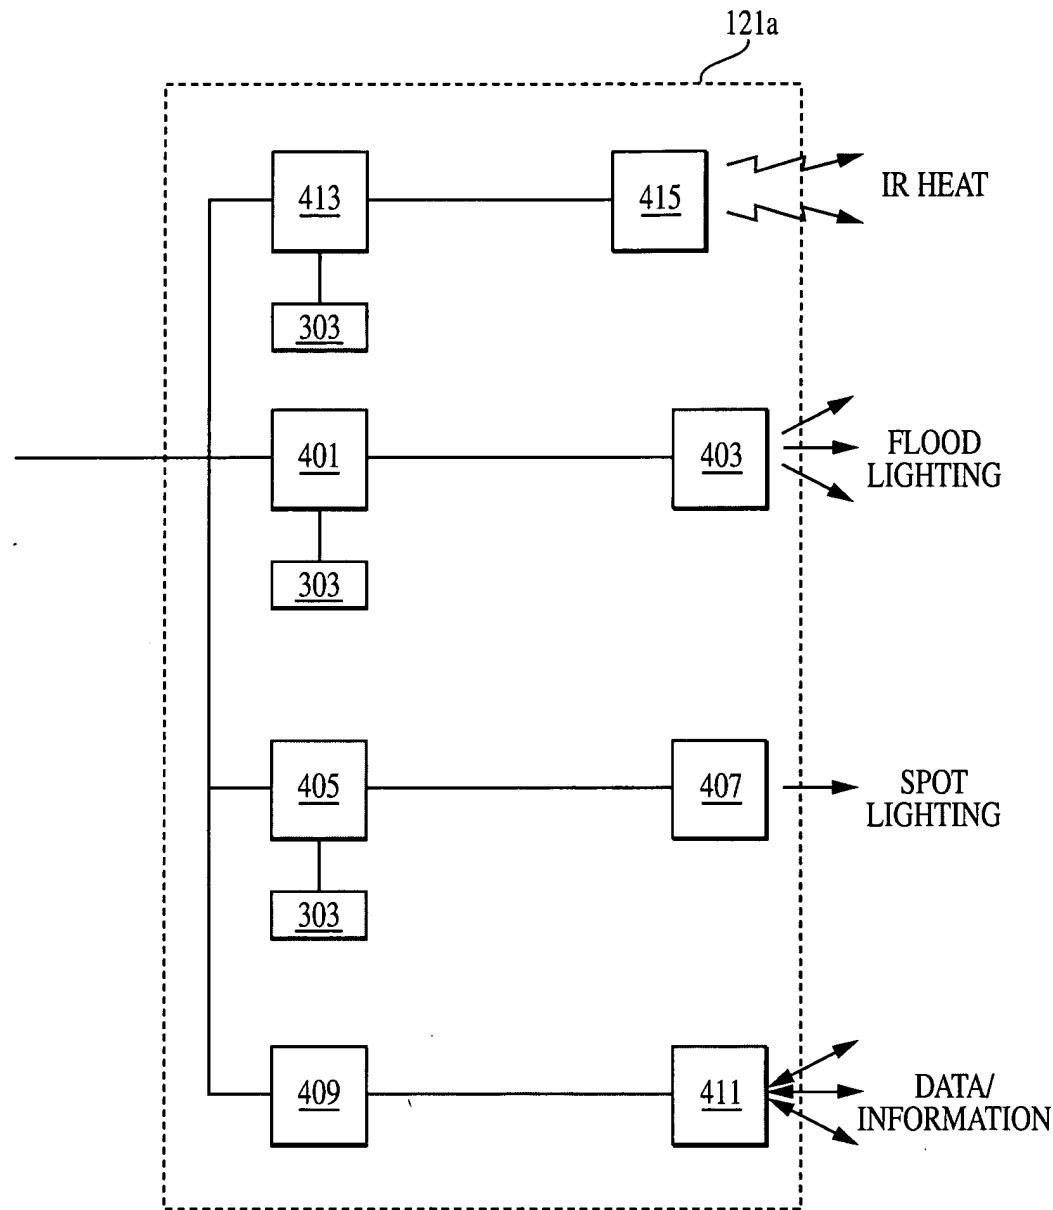

FIG. 4

System for Distributing Information and Energy  
Using Fiber Optic and Optical Wireless Networks  
Krill et al.  
1919-SPL

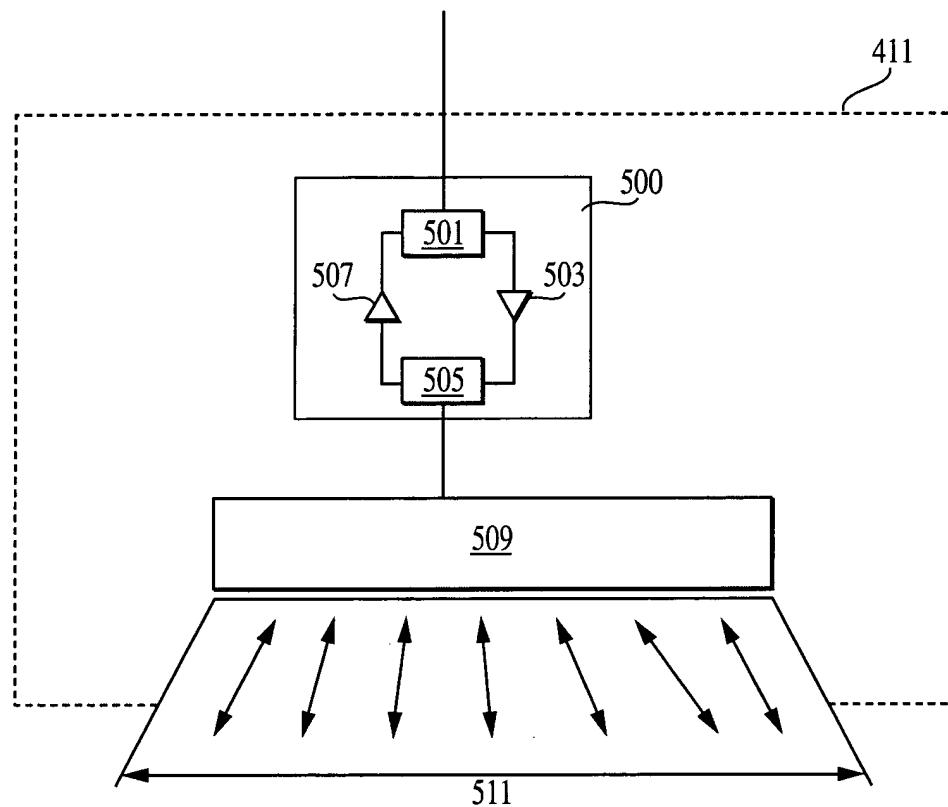

FIG. 5

System for Distributing Information and Energy  
Using Fiber Optic and Optical Wireless Networks  
Krill et al.  
1919-SPL

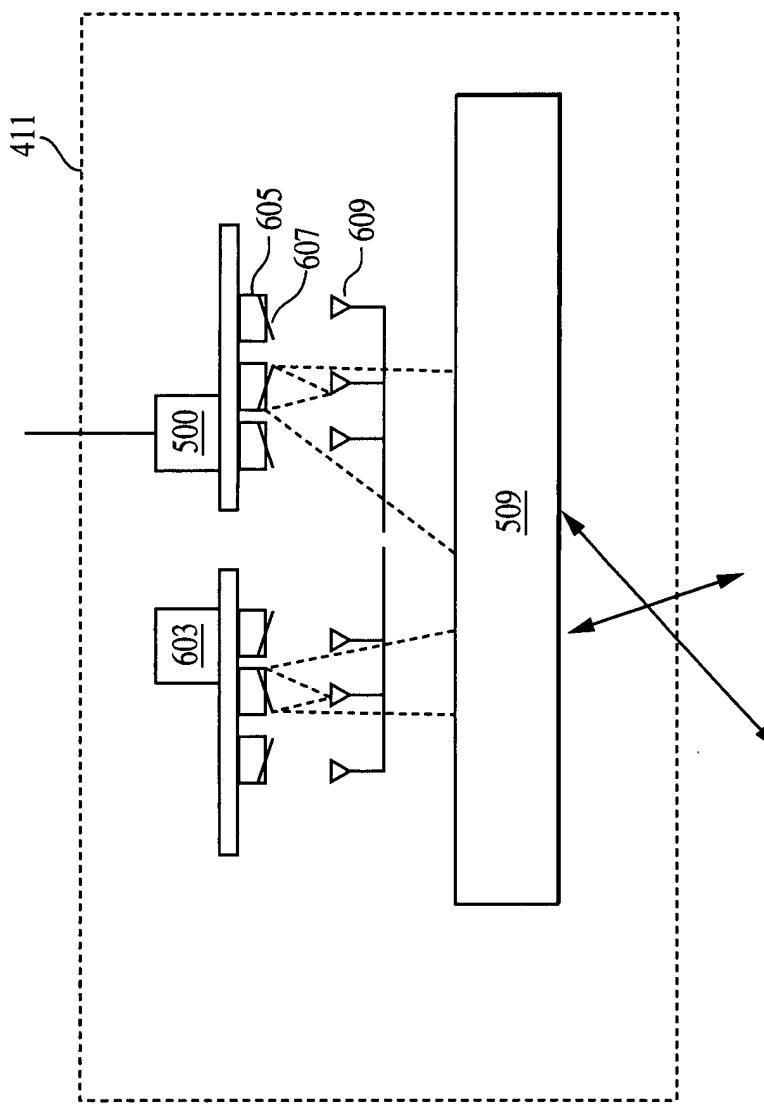

FIG. 6

System for Distributing Information and Energy  
Using Fiber Optic and Optical Wireless Networks  
Krill et al.  
1919-SPL

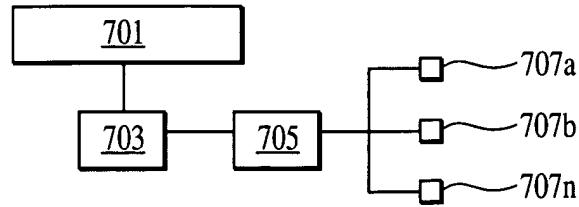

FIG. 7a

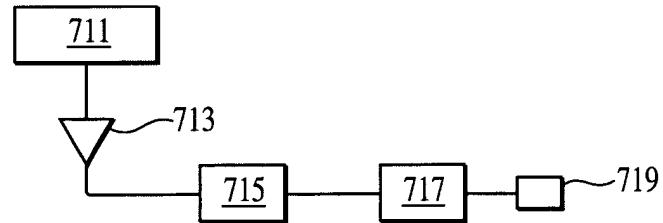

FIG. 7b

System for Distributing Information and Energy  
Using Fiber Optic and Optical Wireless Networks  
Krill et al.  
1919-SPL

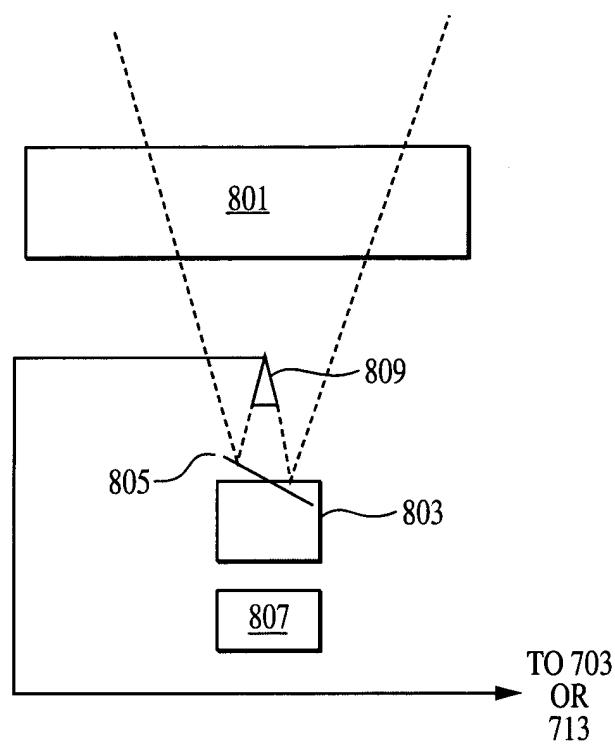

FIG. 8
